Hair DEPOT

A big shout out to everyone who voted for me. I am proud to be part of a great community. The Hair Depot opened in 1978 and I want to thank each of you for being my clients, you are like family to me. We are a growing shop with lots of innovative new hair ideas. Tina Eldridge is still part of the shop and Jalisa Miracle has joined us. For women we offer the best in foils, colors and hair cutting. We are running a special on Brazilian Blowouts through December, call us for prices. Sidney Settles has joined our sister salon, Generations Salon. She does highlights and the fashion colors, whatever you want. For men we offer straight razor shaves, hot lather shaves for your neck with each haircut. We also do custom dermablading and new way hair cutting for men. We offer facials and are a sister salon to Generations Salon. Marilyn, Kelly and Mickey work next to us. We are a team and work together to make you look your best. Come see us.
